Dear Mr. LAMB,

\* During your Christmas time  
re-run of **BOOKNOTES**, I select  
and request that you please  
include **GERTRUDE HIMMELFARB'S**  
**VICTORIAN** morality book.

[As a **black** American C-SPAN  
viewer, I strenuously object  
to your review of one Bell  
Hooks' same old victim stuff,  
and consider it tokenism on  
your part. Please review the  
excellent **Stanley Couch's**  
**THE ALL AMERICAN SKIN GAME.**]
