

Dear C SPAN

UNITED WE STAND, AMERICA is very much dedicated, alive and active!

We are concentrating on priority national issues and not personalities. We are not encouraging divisive or diversionary discussion. One issue voting is discouraged. Our action plan is a positive one. Our goal is a better government and a better country for all citizens and all generations.

UNITED WE STAND, AMERICA, as an organization, has adopted an ACTION PLAN outlined in the book, UNITED WE STAND by Ross Perot. We will choose NO candidate until that candidate has seriously studied the ACTION PLAN and responded publicly.

Carefully read through the 12 issues listed on the enclosed page.

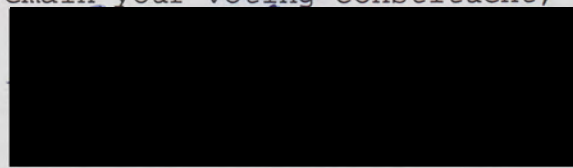

Next, by circling YES or NO, indicate whether you feel that issue needs attention.

Finally, when answering YES, note (below issue number), if you consider that issue: PRIORITY (P) or SECONDARY (S)

Please respond in 7 working days.

Thank you in advance.

I remain your ~~voting~~ constituent,

Our great nation is on the brink of economic disaster!
This is no time to subscribe to paralyzing partisan politics.
Gridlock MUST be broken from the Grassroots to the Whitehouse.

Demand that all your political representatives address these issues.
Message to all political representatives:
