Re: 21st Annual Conservative
Political Action Com.

Dear Mr. Lamb,

I have been watching ~~the~~ C Span for
12 hours a day for a year. I have heard
you numerous times, declare your neutrality
politically. I didn't believe it then; I certainly
don't believe it now!!

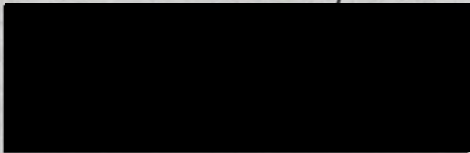

On Sunday, 2/13/94, you aired a program
called 21st Annual Conservative Action Committee.
The topic was the "Media + Republicans." The
subject actually became "The Media and the Clinton
Presidency."

I must say I think it is beneath you
to sponsor such a sleazy program, in which
people like David Brock + Cliff Jackson were
permitted to belt the President with totally

unsubstantiated charges as if they are fact!
I'm sure you enjoyed the program. I'm
just as certain that 50% of your viewers
lost faith in your integrity. The republicans
will do "whatever it takes" to get the White House
back and it would seem that you concur
and will do your part to accomplish this!!

The program was scurrilous, filled with
fake statements, cruel and unsubstantiated
charges, which you allowed to appear as
truth & fact!

You should be ashamed as a citizen,
as an honest person, and an executive of
an important network.

Sincerely

P.S. I appreciated the "Audio Whifficulties"
which saved us from dear knows what
lies and innuendoes!
