Dear Sir:

C-SPAN has become a major part of the TV viewing during the last year. From the first primary in New Hampshire to your current coverage of Military hearings of Gays and Lesbian in the military, your coverage has been very informative for me. Many segments are not of interest to me, so I do not tune such programming in. I understand other would have interest, so it should be shown.

Most of all I want to thank you for your coverage of the Gay/lesbian march on Washington on 25 April 93. I watch all of the coverage and found most to be informative. As in the San Francisco's Gay Freedom Day parade, there are some parts that are not in the best taste, with a very small minority not able to make a judgement of what is appropriate in public. Thank you for not making the judgement for me by presenting the entire program. Keep up you excellent work.

Yours
