

I like C-Span because it gives more complete treatment of the American political life. We are able to view the decision making process that affects our lives and well being.

C-Span furnishes a valuable means for study of political ideas and practices in our democracy.

C-Span is of especial interest because we see the unfolding of political ideas and the spread of democratic views and practices.

C-Span enlarges our knowledge and is of the utmost importance for citizens of a democracy in order that we may help to determine policies and actions.
