Manager - C Spann  
Washington, D.C.

Dear Manager :

For my first time letter receivers, I was born at Stella, Ark., I am a minister with the Assemblies of God. This is an open letter to President Clinton, all federal and state officials, and all American citizens, concerning the gay and lesbian lifestyle in all places, not only in the military.

The First Amendment to the U.S. Constitution says quote, "Congress shall make no law respecting an establishment of religion" unquote. This is written to forbid any established religion from becoming the official federal or state religion, but not to separate God from America. God was in the beginning long before any human beings. God is not religion, state, or church, God is God. U.S. laws are based on Gods laws, thou shalt not kill, thou shalt not steal, etc. The first day of each week is the Lords Day, in honor of Gods Son, and his resurrection from the dead, Rev. 1:10, Luke 24:1. Scripture herein, is the K.J.V. 1611, revised, the finest English Bible, is free, no established religion, the only English Bible in the U.S.A. with no copyright, the word of God on which President Clinton took the oath of office.

Webster defines sodomy as "Abnormal sexual intercourse, as between persons of the same sex, or between a person and an animal". Webster also defines homosexual, lesbian, and sodomites, all practice sodomy, derived from the former city of Sodom. Sodomy is not understood by medical doctors, military experts, etc., but by the word of God. Our flag says we are "One Nation Under God". As American citizens God and his word is our supreme authority. The word of God is being left out of sessions, and so many personal views in Washington, on the evil homosexual practice, this is very harmful to America, John 7:24. The term "sexual orientation" is tricky, concealing how evil sodomy is. (Our neighbor Canada is also being led down the homosexual road to destruction). The wicked shall be turned into hell, and the nations that forget God, Psalm 9:17. God calls homosexuals "sodomites", 1 Kings 14:24, etc. If the first two people God created were two men, or two women, they would have died with no children. History would contain only the first two people. God created Adam and Eve male and female, with them he founded marriage, and the family with children, Gen. 2:21,25, 1:1,5. All people are descendants of Adam and Eve. Gods approval for romance and marriage is between a man and woman, never between two persons of the same sex. Of late evil forces have concocted "gay" to pull the minds of people away from "sodomy", also "acts of love" and "sexually active" to draw away from the word "fornication", increasing in public schools. Webster defines adultery and fornication. School children old enough to commit fornication are old enough to repent and be saved. The Bible doesn't say God destroyed cities with fire and brimstone for the heterosexual sins of adultery and fornication, evil as those sins are, but he destroyed Sodom, Gomorrha, Admah, and Zeboim, because of sodomy, See Deut. 29:23, Gen. 19:4,25, for an example to the ungodly, see II Peter 2:6, Jude 7. Sodomy is vastly against the way God created human beings.

Concerning slavery, in a debate with Douglas for the Illinois seat in the U.S. Senate, Lincoln referred to the teaching of Christ, "A house divided against itself cannot stand", Mark 3:25. Today there is a division in the U.S. Congress concerning sodomy. To have gays endorsed in the military, is only a small part of the subtle scheme of the gay community. Their plan is to have sodomy legalized, honored as an accepted lifestyle in the military and civilian life, all across America, they want political power. U.S. Congress members who associate homosexuals with blacks, women, or any minority groups for Civil Rights, discriminate against blacks, women, and minority groups. It is no sin to be black, to be a woman, or of any minority

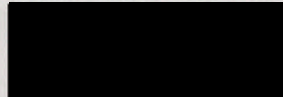

group. Sodomy is vile, wicked sin against God, family, neighbor, and country. In Rom. 1:21,32 Paul lists many evils of homosexuals. Verse 26, women lesbians, V.27, men gays, V.24, sodomites have lust, not love, V.29, filled with murder and deceit, V.30, haters of God, V.31, without natural affection. Homosexuals say to be gay or lesbian is normal, that is a lie hatched in hell. At their ungodly rallies they mock God, carrying signs saying "God Is Gay". All along the U.S.A. and its military have had their faults. God has been good to America, but he has a limit to what he will put up with, see II Peter 3:7,11. God has great love, but he also has strong judgment, and many ways to administer his judgment. Acts 5:1,11 tells of two people who dropped dead for lying to God. The angel of the Lord smote wicked Herod, and he was eaten up of worms, Acts 12:23. God commanded Moses to put homosexuals to death, Lev. 20:13. The terrible AIDS disease is strongly joined with sodomy. God could stop AIDS in a minute, but he hasn't. All who practice or approve of Sodomy, are asking for Gods anger and wrath, not his blessings, see Deut. 29:23. President Clinton says he doesn't want to waste a person, but employ homosexuals in the military, govt. jobs, etc. His thinking disrespects God and Gods judgment. Homosexuals are like murderers on death row, their personal choice to practice sodomy, has already wasted their lives. No matter how distinguished or qualified they may have been, God did not employ one homosexual of the four sodomite cities, he cremated them all, as by a nuclear explosion, 1900 B.C., see Gen. 19:24,25, II Peter 2:6. Their souls have been in hell now for 3900 years, with no way out ever, see Jude 7. "By the fear of the Lord men depart from evil", Prov. 16:6. God knows what every person thinks and does 24 hours of every day, see Prov. 15:3. He blesses the upright who honor his word, see Psalm 15:1,2, Isa. 66:2. To say "God Bless America" and sanction sodomy, is double minded. "A double minded man is unstable in all his ways" see James 1:8, 4:8. Sodomy is extreme bad conduct in the military, govt. civilian jobs, and everywhere. God destroyed Sodom and Gomorrha, and the cities about them in like manner, see Jude 7. Gays and lesbians influence others about them to take up their evil lifestyle. For the good of America (and our neighbor Canada) the U.S. federal and all states, need strong laws against sodomy, and enforce the laws. Any person who claims to be a Christian, and practices or approves of sodomy, is a hypocrite, a poison snake in the grass, against God and America, see Matt. 23:27,33. All adulterers, fornicators, and sodomites, travel the broad way to eternal torment, see 1 Cor. 6:9,10, Rev. 20:10,15. As other sinners, homosexuals have one chance to miss hell and go to heaven, that is to repent and accept Jesus, see Luke 13:3, 18:13,14, Rom. 10:13, 1 John 5:11,12. All who sanction sodomy hinder homosexuals from being saved, that is not right, see Luke 11:52. When a gay or lesbian is born again, the person becomes a new creature in Christ, and is delivered from the sodomy practice, see John 3:3, II Cor. 5:17. It is wonderful to be saved, and personally know the Lord, see John 8:32, 8:36.

The increase of sodomy in the earth is a sign the rapture (catching up) is near, see 1 Thess. 4:16,17, Luke 17:28,30. It is foolishness to make provision for this temporary life, and not make provision for eternity, see Luke 12:15,21, Prov. 1:24,33.

America needs a President, U.S. Congress, and Supreme Court members, who love God, and honor his judgment. If President Clinton refuses to forsake his sanction on sodomy, Congress should impeach him, not let him destroy America.

Before its too late, U.S. officials in Washington D.C., and the people all across America, desperately need a spiritual awakening, a return to honoring God, and Bible truth.

Yours With Concern
