C-SPAN

Att: Brian Lamb
Booknotes Dept

Dear Sir:

Please invite Thomas Sowell to come
on Booknotes to review his recent book
"Inside American Education".

I always read Sowell's articles in Forbes.
Now I wish to see him interviewed on TV.

C-SPAN is the greatest! Every morning
at 8 I mount my stationary exercise bike and
tune in C-SPAN. A half hour of exercise effort
slips by scarcely noticed.

Sincerely yours,
