SUBJECT: NEWT GINGRICH SERIES
DATED: 7/30/99

C-SPAN did us no service by
conducting the 3-part series on
Newt Gingrich!

You see, he is a great American!
He spoke many wonderful, outstanding
thoughts - IDEAS - included.

Yet you - C-SPAN have the gall
to choose Elonor Cleft (spelling
questionable) as a 3-part commentator.
She is so biased, so full of hate
of all Republicans and especially
Newt Gingrich, she cannot speak
with any honesty! I do not
watch the other programs she
participates in. She is a disgrace to
the media world! Former Rep. Dan Rostenkowski
let her get by with insult after
insult! How sad!
Republicans need to get tough Now!

 3. Sportscasters - biased, rude

- And on and on

We are FED UP!

This Nation needs a lot of NEW! GIN RICH! Now and forever more, if we expect to be a Nation!

Clinton has ruined our Government! Our Principles! Our history!

Clinton needs CLIP after CLIP after CLIP of his behavior!

His cabinet selections are disastrous!

I did not appreciate your program on NEW! He deserved more!
