Dear Sirs:

I am watching your Tuesday morning TV show with the Republican and Democratic consultants.

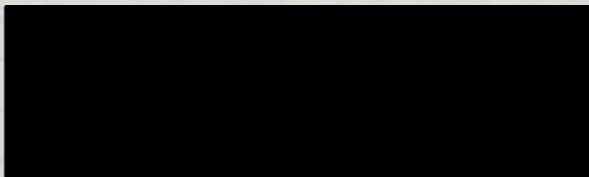

Robert Shrum is the most obnoxious guest I have ever seen as a regular viewer of C-SPAN. He certainly embodies the problem that liberals have in getting people to expound their views — that was discussed on yesterday's program about Michael Kinsley.

Please make it a policy to find guests who do not have the abrasiveness of Mr Shrum.

Thank you for your programming & guests! C-SPAN

is great -

Sincerely,

Norman Ok 73071
