

O-Lines

Brian Lamb -

C-Span

Be. Your pre-
Occupation with
Whilgeat -
Dad Lines etc.

I guess we all here
to choose and anytime
you choose to pursue
this trash - I choose
to turn C-Span off.

But more than that may
I suggest that Lines
is not a humorist.

Really - he's not
anything. The only
comparison I can
make is when my
husband and I ~~both~~
take a vacation

try to get all
have to use the
local Bathrooms.
So as I behold on
the Bathroom walls
is sometimes scrawled
the garbage Chines
spews forth with.

Which leaves ~~me~~ me
to believe that
Wash DC is starving
(in particular) the
Press and (even) for
some kind of
intellectual ~~repairs~~
~~advice~~ or dialogue
as can find nothing
or no-one to fill
this vacuum except
~~for the~~ a new like
Chines.

Finally - I must
tell you that Pres.
Clinton will be
re-elected. And I
hope China is
saving his money.
