

C - Span - 1 - C Span II

NOV 15 ANS'D

What kind of network
are you? At 1:30 P.M.

I turned to C - Span 1

I heard and saw an Arab
^{and a} Diatribe against America -

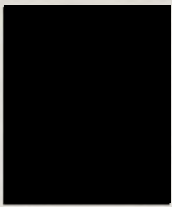

^{I turned}
and On C Span II at the
same time I heard a
saw an Arab railing
away at Pres. Bush and
America again - vicious -
sect. - and then a vicious
reference against Israel!
The Arab spoke against
our Gulf action and

practically threatened America!!
Demanded that we GET
OUT of the Gulf! His
eyes were wild! He looked P.O.
Again - what goes on?

If these people are
threatening us on our own
soil - and insulting our
country why don't they get
the hell out - back to their
OWN countries and destroy
each other with their

Arab hatred! If they
didn't have Israel to beat
away on with their Holy
Jihads they would destroy
each other as they're doing
now! Again - what kind of a
network are you? Do the Arabs
own you?? I found
it shocking!!!

P.S. If these people - on C Span 1
and C SPAN 2 are
PLO murderer terrorists
then they really should
be forcibly kicked out
and not pollute our
Airwaves!!

P.S. - We're beginning to get an
idea of what Israel has
gone through all these
years! — Them!
You feel it in! — Them!
