

Jan. 28, 1994

I watched the C-SPAN program entitled "Three Strikes-Senate Proposals, Friday morning, Jan. 28 about 6 AM. The panel included James Wooten, Joel Garner and Marc Mauer. The panel was answering callers plus giving their opinions about "Three Strikes". They discussed comments by the President and the Attorney General. The President, Attorney General, the panel and the callers mouthed babblings like gobbledygook-the same old rhetoric the Politicians (POLLYS) have been saying and the Sociologists (SOGGYS) have written about for years. The POLLYS and the SOGGYS all talk of causes of crime and offer all kinds of token solutions. Not one person who talked have the GUTS to offer the only solution- THE EXECUTION OF CONVICTED CRIMINALS. Liberal Black and white Democrats don't want to admit and Conservatives are afraid to say "EXECUTE ALL CONVICTED CRIMINALS NOW". While POLLYS and SOGGYS are safe in their Ivory Towers with their lofty ideals, we Americans are being gunned down in the streets. Americans are not going to tolerate this treatment much longer. Example WWII. When the Nazis and the Japs trampled rights worldwide, Did we stop to give them their "Miranda Rights"?; Did we award them millions of dollars because the Supreme Courts "ILLITERATES" said we used "excessive force"? Did we give them billions of dollars for their social "inner-cities" programs? HELL NO-AMERICANS AND THEIR ALLIES SHOT TO KILL AND ASKED QUESTIONS LATER-AND WE WON WWII!

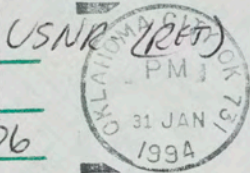

Make no mistake about it, WIIII is happening in our streets. Some POLLYS and SOGGYS say that executions don't deter criminals. THEY ARE WRONG. EXECUTING criminals is a deterrent as those who are executed will NEVER commit more crimes and it has deterred me from killing yet (except in wartime). Placing criminals in prison for the rest of their lives is a waste of money-money that could be used for defense and Social programs, and bullets are cheaper than all the money used to keep them in prisons. EXECUTING hundreds of criminals NOW will cleanse America, even if it takes Vigilante and Gestapo tactics.

The POLLYS and SOGGYS are brave when they talk gobbledygook about crime in front of the TV cameras, but if they were confronted by a drug-crazed killer who pointed the business end of a gun at them when they were in their houses, they'd wet their pants and wouldn't think of criminals rights but of their own safety. SO QUIT ALL THE TALKING BULLSHIT!!! START EXECUTING THE CRIMINALS NOW!!!
