To C-Span! —

After watching your VERY LEFT-LEANING gang
this Tues AM — I quickly penned this
parody to your Poet! —

C-Span has changed to be one of the bunch —
The same now as all of the others —
You don't want to show or to talk about
The Conservative side of big issues!!

Why-oh-why have your policies changed? —
Do you feel to be part of the blame? —
And now that the Congress is run by Repubs —
Are you simply just hanging your head down
in shame?!!

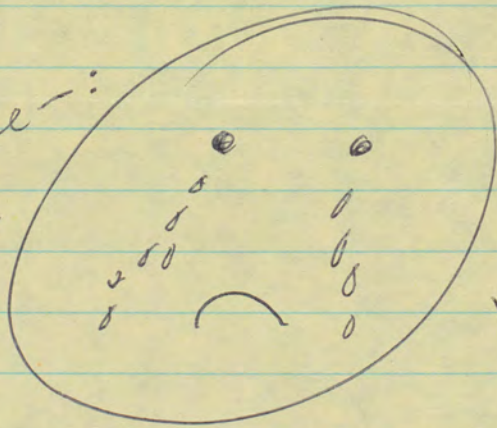

We LOVE to hear callers as they make
of the REALLY "REAL" liberal bias —
So why must you cut them off so
completely —
But let LIB-ER-ALS run on infinites??!

Even Susan, who USED to be oh-so-fair-minded
Has now become one of the crowd —
She's talking much FASTER than she ever used to
and seems to look mad, and not proud.

Oh, C-Span, "My" C-Span, please, please
return
To the fair and "So-even" good
courage! —
We've loved you so totally all thru'
these years —
And now we just cry out in
Sadness! —

We LOVE you dear Brian and wish
we could clone you —
So that all of those now on your staff —
Could act a bit nicer + act like they
care more —
Not so judgmental on liberals behalf!!

"COME BACK"
C-SPAN!!

The C-Span
"Junkie" whose
heart is
aching!
