Washington Journal
400 N Capital NW #650
Washington, DC 2001

To Whom it May Concern:

This is our view.

We do not like the
method putting Democrats
Republicans & others on
phone lines.

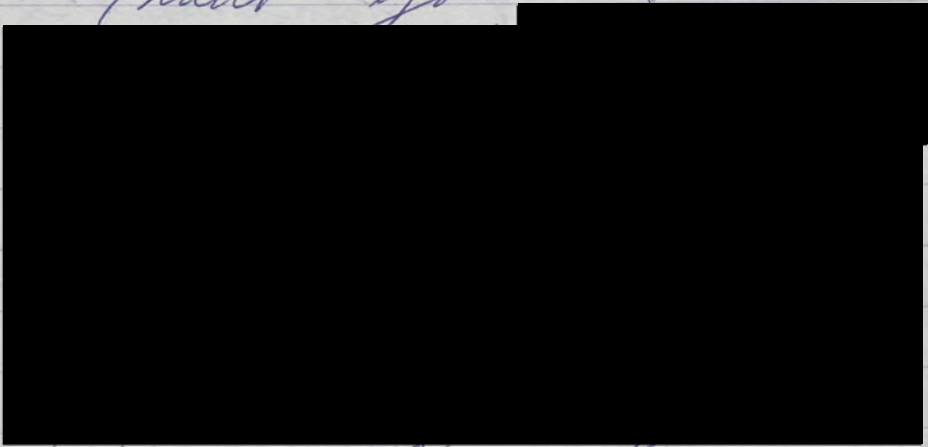

We are not getting a
true feeling or picture
It is not balanced
you almost all put
Democrats on the line.
This is not fair.

Everything is negative
against the Republican
Conventions. You are
not giving them a fair
shake.

Why is the Media and
TV views ~~are~~ so liberal?
It isn't fair you
are not giving the Republicans
a fair shake.

It would be nice to give
the Republicans a chance
especially during their
convention. Democrats
will get their chance and
we will listen

We are C-Span junkies
Thank you

(We are all one big
family.) We will be watching
