

Just wanted to send  
you a note of thanks  
for your excellent program  
of our U.S. presidents.

I stumbled on this  
program one Friday night -  
missing the one on  
Washington - but have  
watched each one  
since.

Children in school should  
be taught American  
History this way - it would  
make it real for them.

Thank you so very  
much for giving  
us such worthwhile  
programs. It not only  
teaches History but it  
is a Moral program as  
well.
