Re: Washington

Rep. Tom Davis

C-SPAN-

You have become unbelievable.
I watch Democrat, after Democrat
come on your programs & spew
forth out & out lies (school
children will go without lunches
& STARVE! etc) - UNINTERRUPTED

by phone calls from Republicans.
My question to you is now
that you have set this NEW
partisan precedent - will
you allow Republicans to
Call in & reply? & interrupt!

PS - all the White House (i.e.
Clinton) lawyer could do was name
Call & Character assassinate! You have
hit an all time low! (over)
