Dear Mr. Lamb,

I have been a C-SPAN "junkie" for many years, almost since C-SPAN was started, and later I went with DirecTV because our local cable system would only carry C-SPAN II until 6:00 p.m.!

Because of my appreciation of your fine efforts, please promise that you will henceforth repeat at least annually the wonderful program aired here on February 23rd with (as my late daddy would say) "Mr. Kill-Patrick" and Marianne Means. The chemistry and dignity among the three of you was lively yet beautiful and caring.

Please continue your fine efforts to make my beloved C-SPAN the wonderful medium it is!

By the way, what is C-SPAN III all about? I called DirecTV and they had never heard about it!! I strongly urged that it be added to the channel make-up.

Peace,

late 5/11
at earliest
