Gentlemen:

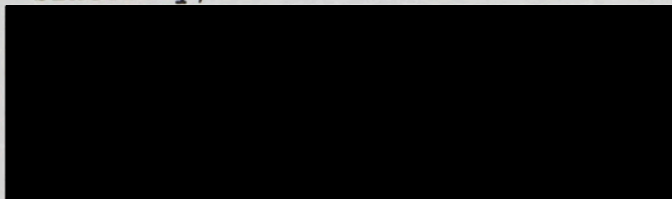

Thank you for broadcasting the results of the British election. It certainly was a major event on the international scene and I enjoyed it very much. BBC's graphics were very good, but I was surprised the election seemed to be held entirely with paper ballots. Also, the number of women members of parliament was surprising.

Truly yours,

G. BRITS

Because we Americans often live in a rather isolated and insular political culture, I believe C-SPAN has provided an invaluable service in its (1) quality coverage of the British election; (2) Tocqueville, France; and (3) House of Commons Question Period. I hope C-SPAN continues - and expands - this wonderful programming. Thank you very much.

Sincerely,
