

Dear Bessie, Watbury, Ct.

Watch you @-Span
every day & night and love
especially when you are the
interviewer. You are great and
so far it's always a pleasure
to watch you. Fairness is
everything and especially during
this political year.

Now for my Complaint!
Early Monday morning you
aired a show (I put it on
at 2:30 AM and shut it off
at 3:00 AM although it went
on longer than that. I couldn't
stand any more of it - and
this is what it was. All about
"The Witch" Sarah

Mc Cellan and a man from
U.S. Report Mel Eifon ripped
President Bush to ribbons.
It was really awful. If they
don't like him that's their
opinion, but to talk about him
like they did on that show
is what is known as "sleeze".
Please view the tape for your
self - you will see exactly
what I mean. Freedom of speech
is certainly a precious right
but ^{no} one, I repeat no one should
be attacked like he was. I
hope you will never let them
on your network again.

I am a registered Democrat
in Connecticut but President Bush
gets my vote. Thank you
Mrs. [REDACTED]
