Dear Brian Lamb,

My wife and I, both senior citizens, wish to thank you for C-Span. Our request to the local cable company — along with the requests of others in this small town of about 10,000 — finally paid off several months back and they added C-Span to our list of available channels. Thanks again.

We also want to thank you for the wonderful interview recently with Ross Perot — a person who wants only the best for his country — our country.

Sincerely
