Dear C Span,

I like Prime Minister
Question - We used to
get it at 9PM Sunday
Night Channel 33 Portage
Michigan Cablevision -

We now get British
Politics - I don't like it.
I would rather make up
my own mind instead
of listening to someone else's
opinion -

Prime Monte Austin
is unfettered letter - great
letter and a real loss
not to see - More
opinion shows we don't
need -
Please write back -
