Gentlemen/Msdomes:

I greatly enjoy & appreciate your  
program & like the flag, long may  
it wave.

In regards to NAFTA - I have  
been listening & reading about this  
for quite awhile now. I have to date, not  
heard a real down to earth discussion of  
this important subject in laymans  
language that addresses the real  
economics of this subject, i.e. If  
we are losing good paying jobs in  
the U.S.A to Mexico, etc I would  
assume that the price of the goods  
coming back into the U.S.A. would be  
reduced. I see no evidence of  
that nor do I hear it discussed.

Possibly you could arrange for

This on one of your programs.

Respectfully
