Could you please tell me how to get in contact with Mr. John Doggett, attorney, who testified during the Judge Clarence Thomas - Prof. Anita Hill controversy on the confirmation of Judge Thomas to be a member of the U. S. Supreme court? He mentioned that when he was in California he used a program that predicted the failure of banks and S & L institutions. I would like to see this computer program. Do you know ^{whether & where} this program can be obtained and its cost?

Sincerely

P.S. Mr. [redacted] may have designed and developed this computer program. [redacted]
