Washington D.C.

Dear @ S Pan -

Keep up the good work -
I love your call in's -
That is much better than
poles -

please forward this
Enclosed letter to Mr Meyers -

I'm glad when the "house"
isn't in town - It is
a circus - They do business
as it was 100 yrs ago -
not up to the times -
mostly a bunch of tired
old men - until terms
are changed to, meby, 8 yrs
for Senators 4 terms for
House - thing will never
change - and why

should Congress want to
change a "good thing"

They have all the laws
to protect them.

good salary - good retirement
check - hospital care - on
and on - all payed for by
the tax payer -

unless tax payers
rebel's nothing will
change - But stwe do not
get a change - the foreigners
will take over - Out side
foreigners - that we owe
Billions too - not a
pretty picture -
So I'm not crazy =

Thanks for a lot of good
programs - with lovely
people

Sincerely
