Dear Mr. Lamb,

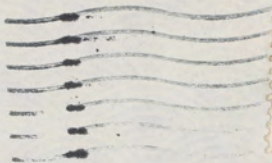

I recently participated in the Close-Up America Teleconference. And I would like to tell you what a wonderful experience it was and I'd like to thank you and C-SPAN for all the support.

The topic was, "IS THE SUPREME COURT ABOVE POLITICS?" and throughout the conference, I realized how important it is for us to get involved. Because my generation is next in line to take over this beautiful country. Your organization made this possible, thank you very much Mr. Lamb.

Sincerely,
