To Whom It May Concern -

Belatedly I would like to thank you for an entertaining & informative weekend last month when you broadcast The American Conservative Union Conference. It was great!

The broadcasts of the political conventions (w/o comment) were the best!

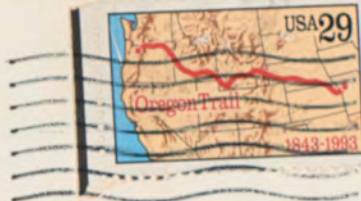

Also enjoy the news from Moscow,
Prime Minister Major's question & answer
program as well as congressional
sessions & a myriad of other programs
you offer.

Thanks for intelligent programming

— Sincerely,

[REDACTED]
