I watch C Span religiously not only for the Education I get being a ex-german Warbride.

IT shows democracy at work - gives a (like no other TV exposes) insight at our politicians for a camera do not lie, -

What a great Country we live in as long you can broadcast as you do." - get's

WE THE PEOPLE

involved. The reality, as coony as it sounds: C Span says to me: Let's say eternal THANK YOU

to every ex Soldier who fought in Wars gave their lives - and to the living suffering ones regardless of physical or mental - for this freedom alone" - I watch C-Span and think of the V.N. Veterans who doubted why was we fighting for?

To our Media can freely report as it sees fit! - God bless America

Truly!

With gratitude!
