C-SPAN President

After the Democrat Convention
I hope you will drop the
Dem/Rep/Other phone lines.
They do not reflect an
accurate, random, unbiased
sampling of Americans.

For
example,  suppose
there are
100 Dems
calling -
but only
10 Reps.

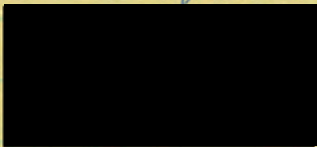

I am also saddened
that you dropped this
procedure when covering
both Perot Conventions from
Calif/PA. You went
to East/West. Why?

Q.M7

I do appreciate
your uninterrupted
coverage of events -
but am losing interest
in C Span due to this
phone business as well
as too many biased
guests.

Thanks for your time.
