Dear Bryan,

Your morning program is
sincerely appreciated by this 74yr. old.
I've never called but I do have
two suggestions:

1) In the cause of logical
discussion please let "liberal"
be defined. My Webster's New School
and Office Dictionary says: "generous,
--- free from narrowness in ideas
and opinions."

If your guests could
agree on this one definition -- or,
indeed, on any, they'd make more sense.

2) What would you think of
a completely volunteer donation of
a percentage (I like 10%) of personal
assets to clearing up the national
debt once for all -- for our grandchildren.
Enough publicity -- it might catch on.

Sincerely,
[REDACTED]
