Dear Sirs:

I made a call to your viewer call-in on Wednesday Oct. 16 1991 at approx. 8:45 a.m. Your guest was Ruth Marcus. My comment was in reference to the questioning of Judge Thomas. I said that since Judge Thomas and Anita Hill had a common friend named Gil Hardy, and since that friend could have been a key witness to their character, is that why Anita Hill did not say anything, because Gil was alive, and did she come forward because Gil was dead now, whether or not Judge Thomas said those things or not. Our cable went out while I was on the air and I did not hear the comment of Ms. Marcus. Could you please write back to me and give me her comment? Our cable goes out every time it rains here. I will enclose a self-addressed stamped envelope for your reply. Thank you very much for a wonderful program.

Sincerely,
