Dear Brian -

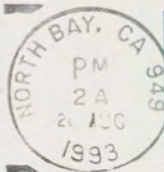

Your program today with guests Christopher Hitchens and Pat Buchanan proves what I've written to you in the past. A-Span is the typical Republican Right-Wing call-in program much the same as Rush Limberger's program.

Always the Same Old Rhetoric! There is no balance on your program. The gentleman caller that mentioned Dole & Mitchell expressed my feelings exactly.

I have tried for 13 years to get thru to A-Span to no avail. Get your program (the call in part) out of Wash. D.C.!

Sincerely,

Ukiah, CA. 95482
