Hear Brian and all C-Span camp.

I just enjoyed your 'American Presidents' series so much. I taped about 30 of them or more. Monday mornings was always a treat for me and Fridays 8pm show, a repeat and more.

This year I plan to become a C-Span 'junkie' and maybe a 'first time caller' as so many of the viewers call-in.

I am finding myself catching Washington Journal often, and love listening to all the callers from so many cities, I never would think of all the different opinions that people talk about.

Today I was watching the Journal and then you went into an open hour of phone lines. And Marge came on with the winners of the American Presidents contest.

They were great! I was so impressed. The cross-stitch, the poem, the picture of George Washington using all the other pictures, Amazing!

And Marge said they were 750 entries. What talent, from all ages, and it made me think the caller who's son said a vote did not count, look what 750 people did. And look what you and all the C-Span do. It made me realize 1 vote, 1 person does make a difference.

I'm 48 and still learning. I would love another series like that, maybe Robert E Lee, Jeff, Harris, Aaron Burr, Calhoun some of the other men + women that were 'in the mix' but not President.

I also wanted to tell you, I'm planning a trip to Va. and Washington D.C. just because I loved the series so much I want to see some of these places for myself.

Thank you very much
C-Span.
