Dear Mr. Lamb

I am a great admirer
of your various works on C-Span.
I believe you and Jim Hohrer of
PBS are the best television has.
Not that there aren't a number of
fine journalists on TV. Unfortunately
not too many.

I am enclosing an editorial
from today's N.Y. Times. I recall that
the president of the Salem Birch Society
on Washington Journal on Friday 6-13?

O.WJ

And didn't he maintain support SA
Congresswoman Helen Chenoweth?

Perhaps organizations that
have "conspiracy theories and gun
obsessions" should be denied the
right to use (or abuse) C-Span.

All good wishes

Sincerely
