Dear Mr. Lamb,

I wanted to drop you a short note and express my appreciation for the program you aired about Ross Perot this past week. I watched the first part of the show, the tour of Mr. Perot's office, and later taped the remaining portion to watch at a later date.

I'm sure that all members of USWA feel as I do when I say how much I enjoy an unbiased report or program about the USWA or Ross Perot. I poured my heart and soul into his election efforts, and thoroughly enjoyed every minute of it. I'm also concious of how many people are out there who love to paint USWA members as a crazed, wacko kind of group. It makes programming like yours greatly appreciated.

Keep up the fine work. I'll look forward to watching you in the future on C-SPAN.

Sincerely yours,

P.S. I've recently received some information by fax about Cong. Jim Inhofe, and his efforts to get his discharge petition reform passed in Congress. If what I hear is true, Cong. Inhofe is displaying an incredible amount of courage. You might look into featuring him in a program, that is, if you haven't already.
