

ITS NOT ABOUT CALCULATION-
ITS ABOUT CONVICTION.

Dear C-Span,

For any REAL discussion of issues I've been watching MTV and COMEDY CENTRAL, and I am 59.

You are entertaining however and I am pleased during political discussions about policies and laws that will effect the grandchildren to be able to offer such pertinent information direct from C-Span, as the distance from the bulb to the socket on stage at the dome.

And I do remember
your promise to
balance Democrat
convention inter-
ruptions by Rep-
ublicans ~ I believe
it was made when
Lynn Martin was
allowed to inter-
vene.
