Brian Lamb -

You bragged
about how Clinton
lingers after an ^{supremely self} ^{centered}
interview !!!

o-w) USE Your Head!

He stays for more
votes and ^{adulation} the next
group has to wait

Example & wonder (The time
he left a group of
old holocaust survivors
sitting in the
cold rain)! He cares
only for himself,
He isn't worth
listening to (canned words)
or looking at (ugly) R New
actions)
