trying to re-elect Bush.

Duall in sight all
weekend despite his having
Bush parents. The Birchens
who hate all but Wasps.

A.M. with a ~~W~~ Washington
Times man in view.

a paper owned by Sam

at noon. I can't
believe that Ted Turner

can approve of all
that forced viewing
of Danny "Boy" Duall

who had to have G-Cards
to talk to 3rd or

4th graders. Where
are The Democrats?

at the 8 A.M. call-ins.
