Dear Mr. Lamb -

I listen regularly to you on C-Spar. I have learned a lot from the discussions I hear.

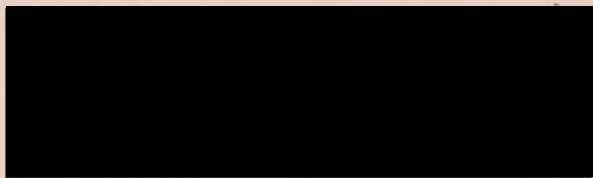

But I have never heard this question answered.

Since the Clinton Health "Plan" affects all of us, do we get a chance to vote for or against it? If not, why not?

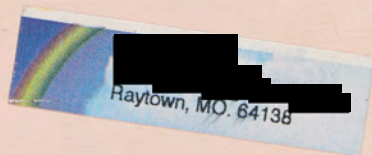

Please answer this for me. I am 73 and very

Concerned about this "plan."
all I hear is how it affects
companies. What about the
senior citizens?

Thanks for your help -
