

Dear Mr. Lamb:

W, split lines bad

We were waiting patiently after the election for you to revert back to the original format of the Washington Journal - as you said you would do. However, you denied saying this and we are very disappointed in you. Can we believe anybody, anymore? Who gives a damn who calls the show? Those divided lines are a diversion in itself and are an annoyance. Can't you do something about the situation? Respectfully

[Redacted]
Poughkeepsie, N.Y.

Mr. Brian Lamb
