

Dennis Scott

VITAL STATISTICS Height: 6' 8" Weight: 229

Birthdate: 9/5/68 **College:** Georgia Tech.

Every offense needs a shooter like Dennis Scott, the steel-nerved gunner who can crush an opponent's will with a few long-range bombs. When a defense collapses to double-team down low, Dennis makes them pay. He spots up behind the arc — the center kicks the ball out — and Dennis nails another three-pointer. In that category, Dennis holds the NBA record, sticking 267 during the 1995-96 campaign. But that's a record that probably won't last. After all, Dennis will be back next year — and you can bet he'll be firing from the stripe.

Dear Mr. Lamb,

What is it a Republican
women on your show?
They look like blonde sex pots
& have mouths like sewer pipes.
Coulter & ~~Her~~ ^{Kelly} are 2 of
the worst bitches I've
ever heard. Didn't they
learn manners? I hate
to miss C-span but I won't
watch when these misquid
Rep. missiles are on.
