Dear C-SPAN,

SEP 12 REC'D

I got cable found C-SPAN and retired after 30 years of teaching all at approximately the same time.

I have fallen in love with your channels. I have always loved politics as a spectator & C-SPAN seems like gift created especially for me. However C-SPAN is not my first love. National Public Radio has that spot. When, this week, you put these two together... well what is there to say except thank you. Keep up the good work.

Sincerely,

Request on
the back.

I will be in Washington, DC
the week of Sept. 23. I would
love to visit your studios.
What should I do to accomplish
this. I will be with a Close-Up
group, but I am asking
for myself.
