

O. M. M.

9-7-98

TO The House of Representatives.

This Labor Day event, the "million
(Dead) Youth March" was a call
for a race war you all say only
white Americans want. The time
has come for a Revolutionary / Holy
War to Purge the Country of their
nigger filth and the rest of the
sexually perverted, corrupt, liberal,
marxist, Communist, bastards
whores from Congress, the Whitehouse
and the Communities. You've separated
their crop, shoved it in white Americans
faces! Now, they come begging
for us to Kill all of them!

IT'S your fault. Now, we
will lock and load and give
them the death sentence they have
asked us for! They want to stop
on Clarence Thomas and call him a
race traitor. They want to seek
out Rudy Giuliani and the police
forces of the nation and "destroy
them by any means necessary!"

Your only redemption is to make
the first move and destroy them
before we make our move and
kill them as we find them!

Hail Victory!
