Dear Mrs. Swain-

You may be interested in hearing from a 96 year old Veteran of WWI, about the current state of Confusion over the disintegration of the Country we all love as Americans.

What has been the cause of this is a repeat of what brought Empires to their knees in past History, viz Greece, Rome, Germany, Russia, the Venetians, France, etc.

In France, as in other cases listed, they were brought to pass by Atheists leadership - as is going on in America today.

The 1789 Constitutional Convention, after a Hot Debate, established a Republic and rejected Democracy or Socialism, as it really is (Disguised).

In ^{Dec} 1928 The Defense Dept of U.S. found it necessary to issue a printed statement that confirmed the Republic form authorized by our Constitution which denounced the Fanny Wright Society attempt to destroy Religion and Churches in America, claiming they had caused the troubles in America.

That Secret Society (85) spread and is financed by an organized well financed, determined to destroy Moral values, corrupt our younger generation in the school rooms and High Schools.

The Soviets devised to its Agents in America, a method of conquest of America by corrupting the younger generation.

Adolph Hitler once made the public statement that if he could get control of Education, he could rule the World.

Carrying out this formula proves them to have been successful.

viz. - 1. Homosexuals
 Drug addiction
 demoralization
 Crime - ^{over flowing} jails & Prisons
 Divorce
 Family break-up
 spread of incurable disease
 Financial bankruptcy
 Prostitution
 Illegitimate Births

Now in Russia the Churches are open
 In America Religion is not permitted
 in the school rooms.

Sincerely

J
