Dear C-SPAN 2-

After having  
told countless people  
about your book- and  
author programs, I would  
that program information  
would enhance my  
delight, at discovering  
new and speakers,  
early mornings (in  
this neck of the woods)

+ weekends

So - would you  
Kindly put me on  
your mailing list?

Thank you
