Dear Brian Lamb,

After more than thirty years of teaching I am retired; now on a "perennial summer vacation." I am a C-SPAN junkie with a passion for bridge and am now as bubbly as a bride with this season of my life.

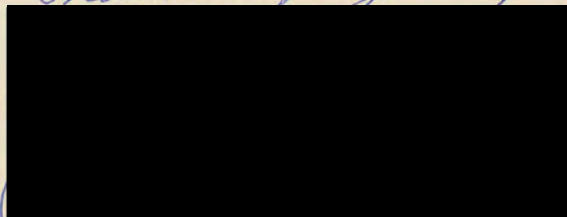

Your development of C-SPAN and C-SPAN II, as with Rush Limbaugh's partisan evaluation of events, is the

saving grace of preventing  
the socialistic trend in  
America; keep the citizenry  
informed.

Loved the article about  
you in "Reader's Digest" - are  
you writing a book to be  
presented on "Book Notes"? !!!

Can a grandmother request  
an autograph picture of  
you?

Thanks for yours

P.S. Just called  
my cable company  
and thanked them for  
"paying" for CSPAN,  
and never to  
drop it as  
(?) somewhere  
in North East part  
did(?).
