

Dear Brian Lamb :

6/8/98

TODAY

an angry viewer excoriated your guest, ANN Coulter, calling her an old hag, etc. which caused you to smile happily* or so it seemed. True, Ms Coulter's comments showed her strong bias. but did this uncommon reaction of our proudly Non-Partisan host reveal his very own bias?

OR - DID OUR NON PARTISAN HOST ALLOW THE INSULTS TO GO ON MUCH TOO LONG BECAUSE HE SECRETLY ENJOYED THE BIASED WORDS OF A VIEWER'S DIATRIBE AGAINST AN OPENLY BIASED GUEST? Was it you, who once said, he would not allow guests to be insulted- ???

* inappropriate glee!
