

Dear Mr. Hamble,

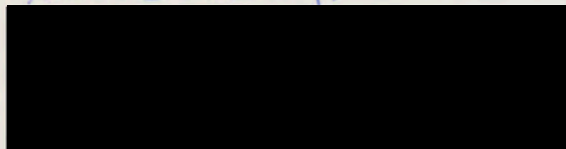

April 12, 1994

The Close Up Program in Washington D.C. was one of the most rewarding and interesting experiences I have ever had. Close Up gave me a better understanding of the fundamentals of government and social affairs. It made all the topics I have studied in History Class a reality.

It was absolutely incredible to meet Senator John Kerry and Congressman Joseph Kennedy. My first visit to Washington D.C. proved to be an excellent one.

Thank you for helping to make this experience possible.

Sincerely,

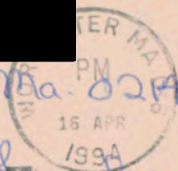

BM 773-4
