C. Span

Mr. Lamb:

I am a C Span - CNN Junkie!

I have been with you since Persian Gulf War!

I'm sitting here - Trying to figure out if - I'm better off - knowing what is going on in our world or - as I better off - when I worked and seemed to busy with family and business world;

I am 79 Today - husband deceased in 1980 - retired after many years in business world - Insurance business - which of course - tells me right now - I am not in poor of Clinton's National Health -

My question - and feeling - govt. Trying to figure a way - for all of us - to pay for ones that do not have Health Insurance -

There will always be the haves and have nots -

You'll always have the haves, Obama haves!

We have been taught all our lives - we make our own beds - I can't go on on this - we all know it but I do not want to be told - by govt - what's going to be covered and what is not.

If I have a right to decide myself - whether to kill a baby or not - surely I should have a right to decide on my own Health Insurance!

I have worked most of my life - to at this age - to be paying 1/3 plus - of my income to the Fed - City - County in taxes. Enough on this.

I want to talk of our so called President and first lady! Smart people - yes - but the most important thing in life - neither of them have - That's character!

To have a President in the White House that - seems to be - an oral sex giver - and a wife - who actually put him there - to me - is the most disgraceful thing I have ever heard of!

Hillary Clinton in a way, is as guilty as Clinton himself - She knows what he is and has known for years - we all know that. She could blow him out of

2
The white dancer in our second - All she'd have to do -
is tell the truth!

She has honesty to God, done an injustice to Chelsea -
I won't say to herself - because - my feeling is -
she was more interested in being 1st lady - surely than
him - being President! This say - is her say of -
running for President eventually herself!

If Clinton - is a 4 yr President - but your hosts -
Hillary Clinton - if she and Democratic - feel he's a
4 yr President - would not be a bit surprised to
see her there in 96 - could not surprise me a bit if
they thought Clinton could not be re-elected - if
she doesn't run in 96 - ~~but~~ you know she'll be there in 2000

I don't know how on God's earth, these men can
carry a bible and go through a church door on
Sunday morning!

How on God's earth, these men can talk of
family values - this goes for both of them!

I hope and pray to God, that Chelsea - does not
come up with character of either one of them! My
heart aches for the child!

I am not getting all my information on the
Clintons from TV, papers, radio, etc. I have
many, many friends that either live in Arkansas
or have lived there - all these things, I've heard
for years and years - I've known at some
time - it could all break loose!

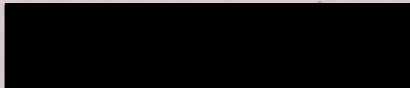

If this is all pushed under the rug, it,
will be a disgrace to the American people.

How they can even face the public's anger and -
let alone - all the foreign people will have to face!

I listen to Congress on C-Span CNN - scares
me when these white countries want democracy!
What this coming year will bring, only God
knows - ! I'm just sick over all this!

What has happened to Gore?
I read where they're both in
evening?

Thanks for listening
