THE SILENCE OF THE LAMB,

Please excuse my obvious ploy and bad typing but for the present the message is the thing.

I know you do not make policy at C-Span. I have long been an admirer and lisviewer of (cal. time) C-Span Journalist Round Table and have much admir~ed your handling of the oftens difficult task...and naturally missed you these last few weeks.....

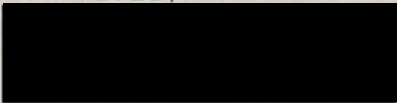

There is not doubt in my mind and those who's opinions I value, that T.V. as a whole hassunk to a new low both in programming choices and the now ever increasing advertising. To the point where t~he program now becomes the sound-bite.

There will no doubt come a r-ecconing, I for one would welcome an investigation. The FCC is certainly not in charge, the dolts are.

Concerning C-Span, which at one point I much admired, I have become doubtful too, it too has changed and my fear is that with the ever increasing concern with the bottom-line the schlock Dr.'s will errase what little quality viewing there is.

Just thought I'd let you know how much we missed you.

Cordially
