

Dear C. Span;

002594 JUN 11 1963

I am writing to ask why C. Span has so many programs on Homosexuals. Mr. Corn or KORN Editor of the "NATION" seems to be on often.

Is there a reason why?

It's been reported that Homosexuals comprise about 2% of the population and Christians comprise at least 60% to 70% of the population. Yet I see no Christian popular person as John Ankerberg, Mr. Kennedy, Dr. Stanley, Jerry Falwell, Mr. Billy Graham, etc etc.

The phrase Separation of Church & State is not in the Constitution. Yet we hear that phrase all the time on the news. On your Supreme Court, shows why not ask them where you find this in the Constitution.

The phrase is in the Russian Constitution. Not in the U.S. Constitution.

Sincerely,
